

Death Notice from the Wasatch Wave, Heber City, Utah

1880-1911 , Jackson Hole Wyoming

DEATH NOTICE From the WASATCH WAVE, HEBER CITY, UTAH

ALMA MOULTON DEAD

Birth: Oct. 22, 1880

Death: Sep 17, 1911

Alma Moulton, son of Mr. and Mrs. Joseph Moulton died at Jackson, Wyoming on September 17th.

Mr. Moulton was born and raised in Heber and is well known throughout the county though for the last nine years he has been only an occasional visitor here. Recently as previously reported Mr. Moulton met with an accident, cutting an artery in his leg just above the ankle, the wound was dressed by two attending physicians and for further care the patient was left in care of the doctor at Jackson, Wyoming. At the time of the second dressing of the wound the artery was again broken and the young man bled to death before anything effective could be done for him.

Mr Moulton was married to a young lady at Zenith, Wyoming last January, also the funeral services were held at the place and the body interred there.

The parents of the deceased were with their son at the last. They are expected home in a few days.

Family notes:

Alma was the sixth son of Joseph and Lizzie Moulton. With his younger brother, Nephi, he came to Jackson Hole in 1905 to take over a homestead relinquishment on the Snake River in the community called Zenith. He married his cousin, Lenore Moulton, in January 1911.

He actually was attended solely by the Jackson doctor although another doctor had been sent for when he developed blood poisoning. He was dead before the second doctor arrived.
